SALISBURY INDIES WINDOW ART TRAIL

Salisbury BID and local artist Michele Millidge have been spreading the very important message of supporting our independent retailers across the city centre. From 1-7 July, using the map below, you can stroll the historic streets of Salisbury, admire the art and pop in store to support our amazing indies.

Don't forget to share your photos on social media tagging @ExperienceSalisbury, #yourcityofindependents and #indiesweek2024.

Our unrivalled community of independent businesses are what make Salisbury unique and special. We need to support them, and the pioneering entrepreneurs behind the scenes, to protect our wonderful city and secure a vibrant high street for many years to come.
